

I enjoy my XM Satellite radio. XM Satellite radio gives me the best of music, news, entertainment, traffic, weather, etc. I pay to receive this service because I obviously enjoy XM. I don't feel anyone has the right to tell me or any person what they are or are not allow to listen to. I am very disappointed that the National Association of Broadcasters wants to decide what we are allowed to listen to. I urge the FCC to reject the NAB's petition 04-160.
